Step by Step English Learning Program

The Step by Step English Learning Program focuses first on the development of reading and comprehension skills and then on speaking and writing skills in middle school children. It is a 6-month long program and has a structured, activity-based curriculum spread over 3 modules and includes technology enabled resources to deliver English learning.

English Trainer: Job Description

The English Trainer will support the implementation of the Step by Step English Learning Program by conducting in person sessions in communities with children in grades 6 to 8, support learning activities, gauge extent of learning, gather evidence to support the same and coordinate with the program team on a regular basis.

Key Responsibilities:

- Deliver English learning sessions
- Mobilize communities and support learner enrollment.
- Identify, train, and monitor community tutors.
- Track learner progress and maintain records.
- Share regular updates with the team and coordinate with stakeholders.

Requirements:

- Graduate in any discipline.
- Freshers welcome; 6 months–1 year of teaching/training experience preferred.
- Good spoken and reading skills in English; fluent in Hindi and the local language. (Gujarati)
- Comfortable teaching both in-person and online.
- Basic knowledge of smartphones and digital apps.
- Willing to travel for fieldwork. (urban communities in Ahmedabad)

Locations: Ahmedabad, Gujarat
